

Blaz'n Blu Java

* Excellent on tacos & nachos, pizza, hamburgers, sloppy Joes, baked beans.

We like to add it to BBQ sauce adjusting the heat and flavor profile for various palates, since there is a lot of heat in this hot sauce.

* Mixed as above, it is great on grilled pork (especially country style ribs) or grilled chicken.

* Delicious in pork hocks and beans or slow cooked pork and cabbage.

* Get adventurous as some do, use it on ice cream or waffles.

This is a seasonal hot sauce. We are growing more of our Blaz'n Jellybean peppers than ever before, but.... When we run out of the pepper... You have to wait for the new release:
