

Pepper Jams

All the jams, especially the Peach Mango & Rocoto Pepper Jams are excellent on Pierogies!

Cherry Chocolate Habanero Jam

We like to buy sliced salami and spread cream cheese on it, then a row of jam down the middle of salami, lastly roll the salami up. Serve a few on a plate or cheese board for a delightful appetizer.

Also a great glaze on grilled ribs. As a side for braised short ribs.

Peach Mango Pepper Jam and Blaz'n Peach Mango

Delicious as a glaze on Pierogies.

Great in grilled ham & cheese or grilled cheese sandwiches.

Very tasty as a finishing glaze on grilled chicken.

Grilles Salmon as well.

Delicious when combined with Baby Ray's BBQ Sauce, and cooking meatballs in it. (1 to 1 ratio)

Rocoto Pepper Jam

Delicious as a glaze on Pierogies.

A great glaze on a grilled pork chops, chicken or chicken nuggets, and tater tots. Mast all air-fried battered / breaded foods.

A nice dipping sauce. Especially for Shrimp skewers.
